RE: **CURRICULUM WRITING ELEMENTARY MENTAL HEALTH**

The dates for this project are from September 27 to November 28 for two teachers: 1 – K-2 and 1 – 3-5.

Compensation will be in accordance with the Board of Education-HCT Agreement and will include the responsibility for proofreading the final typed document and presenting it to the Board of Education.

1. Mental Health Strand

New regulations from NYSED require a dedicated strand for mental health in the health curriculum offered at the elementary schools. This writing project will include spiraling of mental health topics throughout the elementary grade level curricula. The proposal is for two teachers, 10 hours each.
